

Celebration Commonwealth

The Queen's Golden Jubilee Celebrations including the Jubilee Parade 2002 motiroti

The project highlighted the Commonwealth and its contribution of peoples and cultures to Britain. A programme of International Artists visits together with a series of workshops was organised culminating in the Commonwealth Jubilee Parade, Celebration Commonwealth with its 4,000 participants, a highlight of the Queen's Golden Jubilee Celebrations, which took place in Central London on 4 June 2002. The Parade participants were drawn from many areas and included artists, arts, education, sports, community and refugee groups. The Rainbow of Wishes artwork linked young people's wishes together from around the world.
