

Sharing Picnic 100

Arnold Circus, London 2010 **home live art**

The Sharing Picnic 100 was produced by home live art in partnership with The Friends of Arnold Circus – over 50 Shoreditch artists joined with local groups, schools, volunteers and businesses to share in a vibrant community event which included a sumptuous picnic, artists' fair, bandstand programme, an alternative vehicle parade and the final challenge to cycle 100 times around Arnold Circus.

Participatory projects leading up to the event included the production of a community Cook Book, an Arnold Circus newspaper by Adam Dant and a Kitchen Orchestra created in collaboration with Spitalfields Music.
